

The Ohio Foundation Quarter Horse Association hosts five shows per year focused on preserving the western lifestyle and promoting ranch style riding. As the name implies we enjoy showing off the foundation quarter horse but we are a family friendly ALL breed show. There are classes for everyone from adult to youth in walk/trot, trail, reining and cutting. You do NOT have to own a quarter horse to show with us. These shows are great for all levels and provide a friendly, supportive and encouraging environment for you to work on your personal goals.
