### Agenda:

1. Status of May Show
2. Plans for Make-up/Cancelled Shows
3. Stall & Camping Reservations
4. Open Discussion

### Minutes

#### Status of May Show

With the current "Stay at Home" order in place for Ohio, PA and WV. We have no choice but to cancel the May show. We cannot attempt to schedule a show in the month of May due to the uncertainty of when all of the restrictions will be lifted. Our plan for one missed show is to add a day to the September show and make it a 2-day show. We would show on September 5<sup>th</sup> and 6<sup>th</sup>.

Our scheduled Arena judge has confirmed he is available to judge our show on Sunday 9/6. We are confirming with the infield judge for her availability. John Kreis will confirm availability with cattle provider for 2 sets of cows for Labor Day Weekend.

**Motion:** Postpone May 2 show and reschedule for September 6 RL, 2<sup>nd</sup> CH: Pass

#### Stall Reservations

We currently have 112 stalls reserved and we only have access to 93 total. We need to evaluate the priority that is given for stalls. We will begin asking for camping requests along with stall reservations so that priority can be given to those members that are camping as well. We do have permission from the Fairgrounds to allow portal corral panels to be used when camping in the back camper lot on the north end of the fairgrounds. Those members will be charged a camping fee and jump out fee.

#### Patterns:

The patterns for 2020 are complete and the selection for each show has been made. The patterns for the May show will roll to the last show of the year on 9/6. The pattern book has been sent to Laissie to be loaded to the website and the pattern selection will be posted on the website and facebook page.

## **Clean up/set up**

We will plan a clean-up and set up day at the fairgrounds as soon as we know when the stay at home order will be lifted. The new date will be posted on the website and Facebook page as soon as we know.

## **Next Month Discussion Topics**

Status of "Stay at Home" Order

Open Discussion

**Next Meeting May 2, 8pm – Conference Call**
